FR: Chief Jason Dombkowski

RE: November 2012 Monthly Report

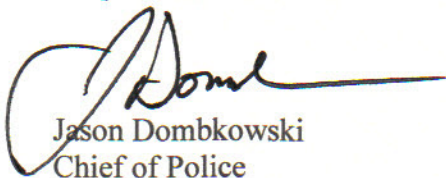

During the month of November, the West Lafayette Police Department received **2,117 calls for service**, an increase of 60 calls (3%) from October, and an increase of 159 calls (8%) from November 2011.

There were two Purdue University home football games in November. No major incidents were reported and arrests were few during these last two game weekends. The village barricades were deployed for all seven home football weekends this season for the first time. Village foot patrols were again comprised of officers from WLPD and PUPD. No major injuries or any car versus pedestrian crashes were reported in the village on game days this season.

This past week, alert patrol officers discovered and dismantled an active drug lab at a local hotel. As a result, two suspects were arrested for manufacturing and possessing methamphetamine within 1,000 ft. of a family housing complex. WLPD was assisted by the Indiana State Police Meth Suppression Unit in the dismantling of the dangerous drug lab.

In November, officers conducted three RAD Seniors classes for 49 citizens and one safety class to 35 women. The prescription and over-the-counter drug drop off program continues to serve a large need in our community each month. In November, 90 citizens dropped off over 200 lbs. of drugs at the WLPD to be destroyed. The next drug drop off event is Thursday, December 13th at 11:30am.

Respectfully submitted,

Jason Dombkowski
Chief of Police
